Coronavirus Survey

CONFIDENTIAL

Please fill in this survey so we can understand how to support each other and the wider community. You do not have to complete it. You can leave out any sections you wish.

1. What support might you need if you had to self-isolate?

2. How can we support you in your faith if we have to suspend church services?

3. What would you be able to offer other church members and the wider community?

4. Please name any others you think might appreciate support - with their address and appropriate contact details. Again, this will be kept strictly confidential.

We may already have the information below but giving it us again makes sure we are up to date. We will manage the information in line with GDPR. If you provide this information, we will assume you are happy for us to contact you about how we support you and others during the pandemic.
